

SAM Legislative Tid Bits 12-14-18

The SAM advocacy work for the legislative session is underway. Here are a few items for your attention ...

- As of this morning, 144 bills and 2799 bill draft requests have been submitted by legislators. [SAM Followed Bills 12-14-18](#) has grown to 199. You will note that the SAM stance based on our Positions and Resolutions is stated on the bill list as we review the details of the bills.
- The formation of the SAM Legislative Network ([SAMLN19](#)) is nearly complete with 85 SAM members involved. Please [sign up](#) if you are interested. We are planning a webinar training for those participating in the SAMLN19 on January 3, 2019.
- The [SAM Legislative Updates 2019](#) webpage is where all session updates are uploaded.
- The [SAM Advocacy](#) webpage is being updated regularly with the [2019 Legislative Session](#) info where all SAM activities before and during the session are available for your review.
- We continue to work on bill drafts that are SAM action resolutions and have identified legislators to carry these bills.
