Crystal Vogl, a native of Townsend, joined D.A. Davidson's public finance investment banking practice in 2000, and her focus is on municipal transactions for clients primarily located in Montana, Washington, Oregon, and Idaho. Ms. Vogl provides analytical services, disclosure and other document preparation and review in addition to continuing disclosure assistance, rating and municipal bond insurance presentations and other underwriting and financial advisory services for our clients. Ms. Vogl provides analytical support for all types of issuers, including school districts, cities, counties, fire districts and other special purpose districts throughout the Pacific Northwest. She has prepared hundreds of disclosure documents used by underwriters, bondholders and other market participants in evaluating credits. Ms. Vogl holds a Bachelor of Science degree in Business Finance from Montana State University, Bozeman and holds **FINRA Series 7, 50 and 63 securities licenses.**
