EXPERTLY WRITTEN NOTICES

Provide your state or district with **200+ expertly written, translated** parent notifications **supporting compliance** with parent and family engagement communication requirements under **ESSA**, **Civil Rights**, and more.

CENTRALIZED DISTRICT COMMUNICATIONS

Deliver **existing district PDFs**, build new forms, and use our library of compliant expertly translated notices to create one standardized repository and delivery platform for all staff in your district.

SIMPLIFIED PARENT ENGAGEMENT

Set up **approval workflows**, distribute forms and notices over **mobile device**, and track and report on which forms have been delivered, viewed, completed, or signed.

SIS DATA INTEGRATION

Integrate SIS roster data to create groups and **auto-fill** form fields. Instantly send notices to parents in a language they understand.

TransACT® ParentNotices

Local and state education agencies have used TransACT ParentNotices for more than 25 years to:

» Engage parents and families

» Access intepretation services

» Provide custom translations

» Save time and money

» Reduce the risk of non-compliance

Ask us how TransACT ParentNotices can be used as proof of implementation in the event of a monitoring visit.
