

# NWEA Products and Services Information

2021-22 School Year

Thank you for allowing us to work with you to help the students in your school learn and grow. Below is some information that will help you as you plan for the coming school year.

## **MAP Growth (K-12)**

Administer MAP® Growth™ interim assessments in Math, Reading, and Language Usage up to three times a year to get an accurate view of how much each student has grown over time and what students are ready to learn—so you can plan lessons and group students for instruction.

**Cost: \$15.00 per student.**

***To Get Started: Implementation and Professional Learning are required for new MAP Growth Users.***

## **MAP Growth Science (3-12)**

MAP® Growth™ Science provides valuable data for teachers on the science knowledge students possess and supports learners as they aspire towards STEM- or STEAM-focused areas.

**Cost: \$3.00 per student when added to your MAP Growth license.**

***To Get Started: No implementation or Professional Learning is required for MAP Growth Science***

## **MAP Fluency (PK-5)**

Quickly and accurately assess your pre-K–5 readers. MAP® Reading Fluency™ enables teachers to efficiently measure oral reading fluency with an online, adaptive benchmark and progress monitoring assessment. In addition to fluency, the test measures foundational skills and literal comprehension—all with one 20-minute benchmark assessment. Group testing and automatic scoring return valuable time to teachers. Streamlined universal screening identifies students at risk of reading difficulty, including those with characteristics of dyslexia.

**Cost: \$5.50 per student when added to your MAP Growth license.**

***To Get Started: For first time users, you will work with one of our Implementation Specialists to learn how to administer the assessment. That implementation must be scheduled and completed before you will be ready to use MAP Fluency. The implementation process may be grouped and/or offered in a variety of sessions.***

## **MAP Accelerator (3-8)**

To help teachers unlock learning gains for every student, NWEA® has partnered with Khan Academy™ to develop MAP® Accelerator™. This powerful tool ties MAP® Growth™ scores to personalized learning pathways so students get support tailored to their needs, whether on, above, or below grade level.

**Cost: \$12.00 per student when added to your MAP Growth license.**

***To Get Started: For first time users, you will work with one of our Implementation Specialists to learn how to administer the tool. That implementation must be scheduled and completed before you will be ready to use MAP Accelerator. The implementation process may be grouped and/or offered in a variety of sessions.***

## **MAP Skills (K-12)**

MAP® Skills™ helps teachers identify the specific skills each student needs to learn. Teachers use this tool between MAP® Growth™ administrations to help kids fill the skill gaps that are holding them back and see what advanced students are ready to take on. Teachers can then adjust instruction and monitor student progress.

**Cost: \$4.50 per student when added to you MAP Growth License**

***Note: MAP Skills will be available for renewal of existing licenses only. No new licenses will be issued.***

## **Professional Learning**

Please contact your NWEA Account Manager for all Professional Learning options. NWEA offers a variety of learning opportunities ranging from 2-hour virtual sessions to full day onsite workshops.
