

MASSP Strategic Plan Development

DRAFT Document (Updated 6-15-18)

MASSP Core Purpose (Developed 6-15-18)

MASSP provides Montana's Secondary School Principals opportunities to become **active leaders** that ensure all students receive a quality education.

MASSP Core Values (Developed 6-15-18)

1. We value lifelong learning through professional development.
2. We value forward thinking; identifying challenges and opportunities that will impact education.
3. We value active leadership in our schools, communities, and our state.
4. We value commitment to making student centered decisions!
