

## Welcome to CoSN!

Congratulations! We are very excited to welcome you to our growing association of Education Technology leaders.

Your META/CoSN membership means that you can now use your profile to access our online store where you can find endless member resources including toolkits, free live and archived webinars, publications, event registration and much more!

You have been automatically linked to your META member region which means all you have to do now is follow the steps below:

1. Go to the CoSN Membership login page [here](#). We suggest bookmarking this login page for quicker access to all things EdTech! This is where you will gain access to your account and the Online Store.
2. All CoSN usernames are the primary emails you provided when you first joined. A randomly generated password has been created for you. Please make a note of your login credentials. The credentials we have for you are:

**Username: (insert email)**

**Password: 123456**

**\*Once you log in for the first time, it will prompt you to create a new password.**

As a new user, you have been added to our ***New Member Orientation***, a series of five weekly emails that instruct you on how to use our site, optimize your user experience, and alerts you to upcoming events. If at any point you need some quick guidance, refer to our [MyCoSNManual](#) for help, which can also be found on our [Membership](#) page.

3. Once you have successfully logged in, navigating your MyCoSN area is easy!
  - a. To review or update information, go to "My Information"
  - b. To download products and register for events, go to "Online Store"
  - c. To view your purchases, go to "My Transactions"
4. **Accessing member benefits/using the Online Store:**

You may have a few things in mind that interest you, but we suggest taking the time to search our products as we update them frequently. You can shop by product type using the drop down menu under the Featured Products. If you need more information on certain resources, do not hesitate to visit our [website](#) for more thorough descriptions on our unique offerings.
5. **CETL® Certification**

CoSN is proud to offer our Certified Education Technology Leader (CETL®) for K-12 education technology leaders, our most noteworthy member benefit. Discover more about becoming a CETL® and what it can mean for your professional advancement [here](#)
