META Vision and Values

CORE PURPOSE
Technologists united into a professional association advocating for and supporting the education of all Montana children.

CORE VALUES
1. **Educate and Influence.** Educate and influence decisions on educational processes at the school, district, state and federal level.
2. **Best Practices.** Collaborate to share technology solutions and best practices in education.
3. **Professional Community.** Develop a community to provide professional growth, productive relationships and mutual respect among members.

Envisioned Future

**BAG**
META's vision for technology and collective leadership are recognized globally for driving the transformation education for all children!

**Vivid Descriptions**
META is the “go to” organization at the local, state and federal level when considering education technology policy and practices.

Using a process think* strategy to personalize educational programming.

All audiences recognize the value added through implementing the strategies, leadership and practices developed through META.

* applies innovation, strategic planning and operational planning to develop organizational strategies that have a greater chance for success (What is it we want to accomplish and what is the process to achieve that goal).
