

# SILVERBACK LEARNING'S

The Core of Your  
Observation and Evaluation Processes

**Keep on top of your entire observation and evaluation process with Silverback Learning's Teacher Vitae! Plus each teacher receives their own personal digital portfolio!**

## Organize Your Entire Year

Schedule your entire years' observations and evaluations with ease. Teacher Vitae's real time **unique tagging system** ties all of your notes to your summative evaluation for easy recall. **The system guides your entire process for ANY staff member**

## Empower Employees with Professional Portfolios

Allowing professional portfolios to be built captures personal success and reflection on practice. Portfolio artifacts are portable, and offer a current and historical view of every uploaded favorite

## Available on Any Device

See something awesome happening and only have your cell phone? No Problem! Log in to Teacher Vitae virtually anywhere that has a web browser and connection to the internet.

## Use Your Own Frameworks and Forms

Easily use **your own district's framework** or customize your own forms to meet evaluation requirements at the state and local levels

**Revolutionize YOUR Instructional Effectiveness TODAY**
